### ★ Author's Comment ★

Even if you're married, there's no guarantee that you won't "like" someone aside from your partner. Compared to just "liking" someone, what's more important is being able to sustain the "liking", even through hard times.

★ Going out together for tea or a meal is fine, but taking private trips alone with each other's unforgivable. That way, if I almost seem like he's going out with me, wouldn't it?

-Yukari Hoshigaki (31 years/Housewife)

○ Most people are of the opinion

TO WHAT EXTENT WILL  
YOU FORGIVE YOUR  
HUSBAND/BOYFRIEND'S  
INFIDELITY?

★ Our family probably draws the line for infidelity when we spend more time with other people than with each other. Even though my guy friends say, "We should meet—just the two of us," since our relations are off and on, none of

○ To have something kept secret is an important concern. However, unsurprisingly, the dominant view is that once there is sexual infidelity, breaking up is inevitable.

★ Personally I believe that once he has sex with another woman, then he has betrayed me completely. If I discover that this has happened, I will get a...

★ If he gets the woman who he's having an affair with pregnant while playing around I will never forgive him. If the two of them just go out for a meal that's nothing. After all, if he's unfaithful it means he wants to be unfaithful. If the feeling goes away halfway through his fun, I'll just get angry and

SHOULD I BET ON THIS WANT?

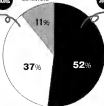

- We are publishing the Star Data Arena a comprehensive analysis of 1,000 reactions of like-minded, which received thousands of positive feedback, now also making its appearance in Japan.
- Books for readers first we start by exploring the intense fights for men among women in "Should I Bet On This Want?"

IS BETTING ON YOUR CURRENT PARTNER BEING SUCCESS? OR FAILURE? \* \* \* \* \*

RELATE

Unable to determine

SUCCESS

"He's a nice, handsome man, a child" (Daisuke Chiba) "I guarantee you really find out as a woman, I play with every thing I have. So that was through I'm moved being over-egged up to now too well about find me to death. And he's single..." (Daisuke Amano) "He considers nature before marriage was put the forthrightness to his individuality." (Daisuke Sasaki) "I thought he had money, but he got it all from loans. All his assets are on debt!" (Daisuke Oshida)

Before we got married, we could only spend money very sparingly and also there were debts, so life was hard, but no matter how many times I tell him that I understand how important money is for us right now, he would save up from his personal allowance to buy presents for me. (Daisuke Sasaki) "Yes, he's right! He didn't intend to suffer hardships for lack of money" (Daisuke Sasaki) "We are able to live each day" (Daisuke Chiba) "Being able to pass each day with a peaceful heart is the most valuable of all."

I suppose that over half of the population was satisfied with their own choice. But isn't it perhaps closer to reality to sway between thinking "Yes, succeeded (even if)" sometimes, and "No, I have failed" at other times...?

YOUR PARTNER'S ASSESSED SAVINGS: HOW MUCH? \* \* \* \* \*

AVERAGE ..... ¥147,453,580  
HIGHEST ..... ¥1,000,000,000,000  
LOWEST ..... ¥-10,000,000

What an astonishing average! People with a value of one hundred million yen or above represent over 1/4 of the whole group. "I thought about 1,000,000-yen (personal income)" (Daisuke Sakagawa) "An average is that much?" (Daisuke Chiba) "I found out million yen lottery, apparently that was the largest amount of the time when he had a bunch." (Daisuke Chiba) That's an answer worth of envy. The highest amount is 1 billion yen. The lowest amount is -10 million yen because "that's the amount of our debt!" (Daisuke Fukuda) But the most common response was "he can't be replaced by money!" (Daisuke Fukuda) That's what they said. ☺

## FOR A "GOOD LUCK CHARM"? "BAD LUCK CHARM"?

### I DON'T KNOW

"Whether it's love or marriage, it's all a part of the game of life. Women change for men and men change for women. Women will also change for their children" (20yrs. Takamasa). There are good times and bad times. (27yrs. Hiroaki). This might be the place of true honesty...

### BAD LUCK

"Ever since he married me, he's been transferred frequently and is close to vacation. After 5 months it'll be a miracle if we don't become poor from the moving costs" (27yrs. Akiko). Even though you're complaining, it's sweet. I'm sure I can't do anything for you! (26yrs. Yumeko). Such readiness is very rare and hard to come by ♡

### GOOD LUCK

Either because everyone is rating themselves very sincerely or being nervous, there were surprisingly few "good luck charm" answers. "I helped him up off his chair!" (26yrs. Naoki). "It's probably because this is what I want to be (to him)" (20yrs. Aiko). The desire to be a positive presence for one's partner is a feeling shared by all.

Now that you have criticized your partner, you're up next. Do you all have doubts when the moment comes that you have to show yourselves as you truly are...?!

## YOU CAN BET ON THIS PERSON ♡ CELEBRITY GAMING

No. 1	<b>ODA YUN</b>	"He seems to be full of vitality" (20yrs. Shuuko). "He seems to care very much about his wife" (28yrs. Kagehime). The opinion of most people is that he looks like he can be trusted. Honestly it's very important if you plan to bet your life on a man. (from December 13th, 1947). He's highly active in dramas.
No. 2	<b>FUKUI NAOHITO</b>	Is everyone simply attracted by physical looks? Nah, this is something more or less acceptable when it comes to a pretty face ♡
No. 3	<b>FUKUYAMA MASAHARU</b>	"If he would only sing for me" - there's nothing else I want in this world" (21yrs. Takao). Musicians are powerful because they have their songs!
No. 4	<b>KANESHIRO TAKESHI</b>	"He seems like someone who would protect you if you asked him to come" (20yrs. Fuku). And there influences of the movie "Return"!!
No. 5	<b>KOSUGI KANE</b>	It's the ones who look like they would be reliable in times of crisis that are the most popular after all. So the (most) desirable traits are strength and vitality!
!	<b>EXTRAS</b>	It seems that, somehow (?), we all pay attention to the physical traits. "That's a big hope for the future" (20yrs. Chika). "Takeshi's Roushi-san. He seems like someone who would overcome difficulties to resolve any problem." (21yrs. Oki). "Atsuko Shounen" (27yrs. Oki). It seems the theme of laugh, hard men is the rage lately.
